Hello Ms Sheaves

At long last I obtained a copy of the transcript yesterday and sat up all night trimming 1500 pages into 90. These 90 pages prove a number of things categorically and without doubt

- 1)-That several police officers perverted the course of justice on the night of the incident, during the investigation, the arrest and charges, and before and during trial
- 2)-The Inspector Bells whitewash has been completely and utterly discredited
- 3)-That there was conferencing of witnesses
- 4)-That there was undue, illegal pressure applied to the only independent witness in the trial
- 5)-How close Detective Hennessey came to doing jail time
- 6)-That there are major links between the Narrabeen Sharks and D.Y. police. 2 x Fruedensteins and Winter
- 7)-That the Judge considered that the PIC should become involved
- 8)-That police committed purgery
- 9)-That all my claims from the last 15 months have been substantiated
- 10)-That police were aware that I was assaulted by Bullock and refused to charge him
- 11)-That police were aware that there were 20 fit, aggressive males who instigated the violence

I have included a copy of recent correspondence with the police minister

Mamm, this is the end of a long bitter struggle for survival

I know these pages hold the answers

Please do me the curtesy of reading them, these are the final pieces of a complex puzzle that has threatened to tear my life apart

You will not hear from me again

Thank you in advance for your professionalism

Sincerely yours

Dirk Nierop
