

A. The top - two steps down from the top, you know.

Q. About how far down from the top of the stairs were they at that point?

5 A. Two or three stairs down.

Q. Then did you see whereabouts on the pot plant that Shane appeared to make contact with it?

10 A. No, just, middle of the pot plant, I don't know.

Q. Did you notice anything about the pot plant afterwards?

A. I thought the pot plant actually broke.

15 Q. Why did you think that?

A. Because I saw his head go into it and then - I don't know if it just cracked or broke. I wasn't really worried about the pot plant. I went to look towards Shane, so I didn't pay much attention to it after that.

20 Q. Did you see what happened to Shane after you saw him come in contact with the pot plant?

25 A. Yep. The Home and Away guy, as we say, run down and started punching Shane. I saw another blond guy punching him as well?

Q. Where did the blond person - can you describe skin colour, height, build, clothing?

30 A. White man, about 180, big solid build, blond hair.

Q. When you say a big solid build, what do you mean in relation to the build of the Islander gentleman and the Home and Away guy you described?

35 A. The Islander looked pretty big, fatter, big, solid but fatter. This guy was more muscly.

Q. When you say solid you are holding your hand?

A. Big chest, solid build.

40 Q. How would you describe your own build relative to the guy with blond hair?

A. Medium.

45 Q. And do you remember what sort of shaved head the blond hair was?

A. Just blond hair I am not sure. Pamela Anderson style blond hair.
