

Inspector Bell

I do not know you but I do know John and he says you are an honourable man.

I do not want to pick a fight with your detectives but I will be silent no more.

Enclosed is a letter I intend reading to the magistrate this Thursday.

Representatives from the Manly Daily and Adam Walters from channel 9 will be there to hear what I have to say lied lied

I am also a man of honour and am giving you the chance to respond

Yours sincerely and in desperation

Dirk Nierop
