Interesting and varied work, extra income and the flexibility to choose

Locum work offers you this and more...

Specialising exclusively in Medical Practitioner placements throughout Australia

“The friendly staff at OCL make organising short and long term work effortless.”

M.R. ICU/ED Registrar - Sydney

Why perform locum work?

Locum work in one of Australia's hospitals, medical centres or in private practice is highly rewarding for a number of reasons.

The benefits include the opportunity to:

- + Experience a variety of work in different environments
- + Choose where and when you work
- + Earn extra income in your spare time or during annual leave
- + Expand your résumé with additional clinical experience
- + Maintain your clinical interests if you prefer to work part time
- + Fit work in around study or other commitments
- + See Australia with placements available in capital cities, and throughout regional and rural Australia.

“OCL is efficient beyond the call of duty. They always seem to get results and are helpful and discreet.”

G.Y. General Surgeon, Melbourne

Why choose OCL?

Working exclusively with Medical Practitioners, On Call Locums (OCL) arrange locum and permanent placements throughout Australia.

Our expertise is in arranging successful placements for the mutual benefit of Medical Practitioners and the facilities in which they are placed.

Interesting and rewarding work

OCL has been assisting Medical Practitioners to secure interesting and fulfilling placements since 1988.

We take the time to understand what locum or permanent work you would be interested in doing.

Next, we do all we can to secure an ideal match via our substantial network of contacts from Australia's leading hospitals and health care providers.

Confidentiality and discretion

Headed by a Medical Director, we understand the demands of the role and the importance of confidentiality and discretion.

OCL upholds the highest ethical standards, and is a member of the RCSA and Australian Association of Medical Recruitment Agents.

OCL is a division of Healthcare Australia Pty Ltd.

How we help

OCL recognises that as a Medical Practitioner, you have many claims on your time. That's why we do all we can to simplify the arrangement of your placement.

We assist with:

- + Matching locum or permanent opportunities to fit your availability, skills and work preferences
- + Completion of documentation
- + Arranging travel and accommodation for regional and interstate placements
- + Confidential promotion of your expertise and skills to our clients (with your consent)

OCL arranges locum and permanent placements for Consultant Specialists, Registrars and Resident Medical Officers throughout Australia.

Locum opportunities range from single day placements to roles of up to 6 months.
