Cemark Group Pty Ltd take great pride in the ability to offer a wide range of services connected with the Electrical, Security, Fire & Voice / Data Communications industry.

Established in 1987, we provide services to small business, large corporations & government departments providing them with the best practice and cost effective solution available to facilitate their requirements

Our team of motivated and experienced staff members range from a diverse field, thus enabling us to draw from a vast range of experience.

All our staff are trained and accredited in O.H. & S. We are highly committed to providing a safe workplace and encourage all our staff to implement our Company Safety Policy.

Cemark Group Pty Ltd offers a no obligation - no strings attached service which starts with the initial introduction with the client to determine their specific needs. We offer all our resources so as to achieve maximum benefit for our customers.

Once awarded the work we will appoint a supervisor who is familiar to this field and they will together with the general project management team, arrange for the works to be carried out in a cost effective, realistic time frame with one objective in mind, - "customer satisfaction".

Cemark Group Pty Ltd have the following endorsements / accreditations:-

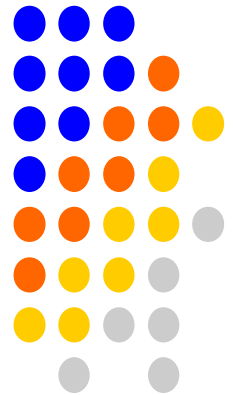

- Krone PremiseNet (15 Year Endorsed Installers) Cat 5e,6 & Fibre
- Honeywell (Systemax P.D.S.)
- Molex Premise Networks
- Amp Netconnect (25 Year Endorsed Installers) Cat 5e,6 & Fibre
- Clipsal Datacomms Cat 5e & 6

Cemark Group Pty Ltd have the following Licences / Qualifications:-
